The Annual Meeting & Volunteer Luncheon is an event that our supporters, staff and volunteers look forward to each year. This year was no exception. As attendees enjoyed food provided by Catering by Two Sisters & cake provided by Barbara Hults, Hospice of Orleans, Inc. was thrilled to award Jean Shervin (pictured right) with the Volunteer of the Year award. Jean used the opportunity to speak about her passion for volunteerism and the experience of it being instilled in her as a young girl. She also noted the importance of doing what you can and being sure not to feel guilty for the times that you are unable to help, but to strike a balance.

CEO, Kellie Spychalski, also presented the Mary Janet Sahukar award to Dr. Madejski (pictured below) who has served as the Medical Director for the organization since 1992. Dr. Madejski was elected President of the Medical Society of the State of New York earlier this year and as a result has graciously resigned his role of Medical Director. Hospice of Orleans is sincerely grateful for the care provided by Dr. Madejski for each and every patient that Hospice has had the privilege to serve and we wish him well in all of his future endeavors. Attendees were also fortunate to hear Dr. Andrew Esch (pictured below left), Hospice of Orleans’ new Medical Director speak about his personal experience with Hospice that has inspired his work in providing end-of-life and palliative care. Development Manager, Brittany Dix, also presented The Curtis Foundation with the Business/Civic Award for their ongoing support of Hospice over many years, answering the call many times when the Organization identified a need that would improve quality of care for patients as well as efficiency for staff. Hospice of Orleans would like to thank all of our supporters, friends, and especially volunteers for giving so much heart, along with your time and talents, we certainly could not do what we do without you.

Pet Peace of Mind Success Stories

A Birthday Surprise
After the incredible loss of her family’s two dogs in September, Hospice of Orleans’ Homecare RN, Dawn, could not have imagined that by February, when her patient’s health was declining and there was a beloved dog needing a home, that she would be the one to offer it. Dawn recalled that the patient’s sons dropped “Muffin” off to her at work on a Friday. This timeline allowed for her whole family to be introduced during their regular Sunday dinner. However, as Dawn introduced Muffin and sifted through the paperwork that accompanied her, she realized that Muffin was actually quite a bit older than she had thought. As a matter of fact, that very Sunday happened to be Muffin’s 13th birthday! Since joining Dawn’s family, Muffin enjoys acting as protector to Dawn’s grandson, doing daily farm chores, playing ball nightly, and lending a listening ear to Dawn’s husband, Neil, who is convinced that Muffin will thoroughly enjoy camping season.

A New Start, A New Name
“I started calling her Lenore, because it looks like she has a mustache that reminds me of Edgar Allan Poe. It took about a week for her to warm up, but now she seems completely comfortable. She is still shy around other people that come over though. She curls up on my lap almost every night when she hears me turn on the tv and when I go to bed she snuggles up right next to me. Once in a while Lenore gets a burst of energy around 2:00am and plays with the loudest toys, but it never seems to last long and then she curls up next to me again. She is just the biggest sweetheart and I’m so happy that I was able to adopt her!”
– Becky Reigle
"The Wet Nose"
By Mike Massaro

We are brought into the world with our eyes closed. Not knowing much about anything but Mom takes care of us she feeds us she cleans us and with her wet nose she lets us know she's near.

As we grow we are always in eyesight of mom we run and play, chew on everything and sleep a lot. Her wet nose lets us know she is here for us.

We go through life full of love, a deep desire to please and undying faith that there's good in everyone. Our curiosity is led by our wet nose. We leave our mark on windows, doors, refrigerators and anything else that smells good or interesting. We find our homes and we allow our humans to think they adopted us but really we chose them.

As life goes on, our wet nose goes everywhere with the touch you know we are there always willing to listen and not judge. The eyes are the window to the soul but our wet nose is the one to our heart.

We grow on each other but when I cross the rainbow bridge my wet nose is what you will remember. Let that bring you comfort knowing the comfort it brought me.

After his mother’s passing in 2015, Mike wanted to give back to Hospice, but didn’t know how. After the Pet Peace of Mind program was introduced, Mike knew it would be something that he could do and underwent volunteer training in 2016. Finally, in November of 2017, Mike was called upon to foster and potentially adopt a senior dog.

Today, he lovingly refers to her as “my Katie”. Katie is the 3rd senior dog that Mike has offered a great home to. While most prefer puppies and young dogs, Mike shares that, while they may no longer be “cute & fuzzy”, he especially appreciates the seniors because their personalities are already established, “they are set in their ways”. If asked, Mike will tell you that Katie will insist that she is a part of everything, that she follows him wherever he goes, and brings a lot of entertainment to his home. “She’s my shadow,” Mike shares.

Thank you Mike, for rewriting Katie’s ending and loving her the way you do!

2017 Bouquet Sale
Top 3 Pre-sale sellers:
Lynn Burgess of Lynn’s Salon (Albion)- 100 bouquets
Valerie Wells- 78 bouquets
Albion Central School District- 75 bouquets

This year’s bouquet sale was amazing & interesting. We encountered late delivery and STILL our community proved to be incredibly generous. With the help of local businesses & a slew of selfless volunteers, we were able to raise more than ever- $9,773

THANK YOU TO ALL WHO PARTICIPATED!

Don’t forget! AmazonSmile is a website operated by Amazon that lets customers enjoy a wide selection of products, low prices and convenient shopping features as on amazon.com. The difference is that when customers shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to Hospice of Orleans. There is no cost to Hospice of Orleans, the shopping experience is identical to amazon.com, and there are no fees deducted from the donation amount. Enjoy AmazonSmile for back to school, Black Friday, or any of your shopping needs while supporting your local Hospice.

Just type the following link into your address bar and start smiling!

https://smile.amazon.com/ch/16-1336090

On April 16th, Hospice of Orleans had planned to celebrate National Healthcare Decisions Day by distributing the “Five Wishes” Advance Care Planning resource outside at local store, but mother nature had other plans! Please do not forget though, that Hospice of Orleans is YOUR local resource, and we always have “Five Wishes” booklets on hand and encourage our community members to utilize it, or another resource: www.makingyourwishesknown.com to help outline your end of life wishes. Several local organizations have taken advantage of Hospice as a community resource and have learned about the importance of end of life wishes being documented, as well as all of the programs and services that Hospice offers. The resounding theme is that this end-of-life planning is a gift to your loved ones. Please call Hospice of Orleans 589-0809 for more information or any questions that you have about Advance Directives & documenting healthcare decisions.

Give an invaluable gift
...for free

For ALL community members, Hospice is offering advanced care planning at no cost. By simply calling and making an appointment to come in, we will work with you to complete advance directives and give your loved ones the gift of freedom from making these tough choices for you.
Top Left: Twins, Mia & Olivia Kujawa, great-granddaughters of our late patient Shirley Yagge decided after visiting their beloved “Grandma Shirley” in the Martin-Linsin Residence, that they wanted to raise funds through a humble written request placed on the side of an empty juice container. By doing so, Mia & Olivia were able to raise $34 for Hospice’s programs & services!

Girl Scouts from the Oak Orchard Service Unit spent weeks compiling fun word searches, snacks, luxurious lotions, cozy socks, & other goodies to create “welcome baskets” for Martin-Linsin Residence patients and families. Thank you girls for making the Residence even more welcoming and warm with your kindness.
