Hospice of Orleans 20th Golf Tournament Again- Most Substantial Fundraiser!

ALBION –The 20th Annual Hospice of Orleans Golf Tournament, held July 27th at Hickory Ridge Golf Course, brought in more than \$17,600 to support services that Hospice provides in the community. 140 participants enjoyed a sunny day of golf, drinks, and opportunity to participate in a basket raffle and silent auction that included handmade furniture and even a private visit from Santa Claus. During dinner, players and guests had the opportunity to hear from the founders of the tournament: Linda Chrzan, Laurie Freeman, Mark Murphy, & John Foos. Chrzan reflected that the first year of the tournament, the group was able to raise \$4,000 for Hospice and that there has been faithful participation by many, year after year. The tournament was once again graciously sponsored by Christopher Mitchell Funeral Homes, lunch was provided by Dr. Madejski, and other major sponsors were: Westside Medical, Don Davis of Albion, Sanzo & Sons, and PepsiCo. Hospice of Orleans would like to extend sincere thanks to all sponsors & contributors, staff and volunteers that helped the day run smoothly. Also, a big thank you to Hickory Ridge for honoring tradition and hosting the event.

Men's team winners: Ike Burr, Stan Slater, Bud Fuller & Kevin Elliot

Mixed team: David Mitchell, Paula Fuller, Josh Mitchell, & Tristin Rider

Women's team: Linda Chrzan, Mindy Warne, Laurie Freeman, & Barb Passarell
