Junior Wilson Sportsman's Club supports Hospice

Albion, NY – Hospice of Orleans is pleased to announce that a grant, in the amount of \$1,500 has been made by the Junior Wilson Sportsman's Club of Medina. The donation will be used towards funding the Transitions Program, a service designed to meet the needs of those who face a life threatening illness, but who do not yet meet Hospice admission criteria. At the same time, it provides a vital service for the caregivers, who often do not know where to turn for support in a time of crisis.

“The Junior Wilson Sportsman's Club has been a dedicated friend to Hospice since 2004 and we are so grateful” stated Cora Goyette, Development Director.

Thank you for enabling Hospice to continue its mission of making a difference one life at a time.
