East Shelby Volunteer Fire Company Brings Comfort to Hospice Patients

Albion, NY – The Staff of Hospice of Orleans extends sincere gratitude to the volunteers of East Shelby Fire Company for their recent donation of \$100. “The Comfort fund was launched in 2008 to purchase special jersey linen sheets for Hospice patients confined to bed for extended periods. Shelby was one of the original emergency services to donate to this fund and since then many others have joined them and come to our rescue” stated Cora Goyette, Development Director. “The wonderful thing is that donations keep arriving and we now have an ample supply of bed linen to use and ensure they have the maximum comfort at home”.
