Volunteers Say Goodbye to a “Trusty Friend” in Support of Hospice

A husband and wife Hospice volunteer team said goodbye to their 1998 Honda Civic in March, content in the knowledge that the Agency would be the ultimate beneficiary, through the Cars4Causes program. “This unique vehicle donation program enables an organization to realize an immediate cash contribution from the proceeds of the sale” stated Cora Goyette, Development Director. “In addition, there is no cost to the donor and the contributor receives the official tax acknowledgement required for vehicle contribution deductions”.

The pickup, completion of minor repairs and all DMV paperwork is all part of the program and Hospice is very grateful to those who continually support its mission in so many ways. For more information please call Hospice office. Thank you.
