"Hospice of Orleans Bestows their Business/Civic Award"

Albion NY: The 2009 Business/Civic Award was presented to the Junior Wilson Sportsmen's Club of Medina at their recent Annual General meeting. Cora Goyette, Development Director noted "in the last three years, they have elected to support both our Bereavement and Transitions programs as well as make contributions to our general fund. The community does not realize that some of our services, while mandated by the State, receive no direct funding. Therefore we are solely dependent upon the generosity of organizations such as the Junior Wilson Sportsmen's Club".

Hospice is very aware of what true friendship and loyalty to any organization translates into. It is the ultimate gift that enables Hospice of Orleans to continue to provide a vital service to the community. If you know a member please say a thank you!
