Local Businesses Recycle for Hospice

Albion, NY – Two local recycling businesses are benefitting Hospice of Orleans. **Albion Redemption Center** and **Dan's Cans of Medina** are both offering customers the opportunity to designate Hospice when recycling cans and bottles. "This is just another way in which the community continues to support our services" stated Cora Goyette, Development Director. Hospice is very grateful to the community that continues to support the services that impact so many lives in the County of Orleans.
