Hospice of Orleans Makes a Posthumous Volunteer Award

Albion, NY – For only the second time in its history, Hospice of Orleans recognized the contribution of a deceased volunteer. The family of Lillian Bennett was presented with an engraved brick, which will be placed in the Hospice Memorial Garden located directly behind their office.

At their recent annual volunteer recognition luncheon, Mary Anne Fischer, Hospice Executive Director, told 85 volunteers “Lillian was a tireless advocate for Hospice wearing many hats. In the agency's formative years she could be found answering the telephone, preparing newsletters accepting donations and writing checks. She was secretary to the board from 1990-1999 and assumed the role of Hospice Historian. Hospice extends a heartfelt thank you to her family for sharing Lillian and her many talents and hours”
