Release # 5 Date: May 7, 2013

HOSPICE THANKS THE PINK CRYSTAL BALL COMMITTEE

Kathy Vicknair, Chairwoman for the Pink Crystal Ball said it right when she asked the 200 ticket holders “Please do not dig into your wallets, but dig deep into your hearts”. The event took place April 27th at the Ridgeway Fire Hall and was a sellout weeks before. This year Hospice of Orleans and the Knights Kaderli Memorial Fund were the beneficiaries. “It gives us such a heartwarming feeling to see how many people are willing to not only donate their time on the committee, but to support such a great cause” said Lisa Christiaansen from Hospice of Orleans. This epic event raised a record breaking \$20,087.00! After expenses, each organization will receive \$9,128.00. Hospice would like to commend Vic and Kathy Vicknair and the entire 2013 Pink Crystal Ball Committee for the hard work and support they put forth in our community. We are grateful that they considered hospice as their choice when planning this fundraising event. Keep up the good work.
