WINTER 2012

## THE DREAM AND THE REALITY...*The Martin-Linsin Residence Update*

On July 16<sup>th</sup> seventy five staff, volunteers and friends of Hospice gathered to share with Bruce Martin his joy in announcing his major gift to Hospice. With the launch of the “my choice, my life, my way” residence campaign the public phase of the journey began.

On October 5<sup>th</sup> the day before his untimely passing, Bruce occupied his usual place in the office - we called it his ring side seat and could not contain his pride at seeing the commencement of the new building. Poignantly, he even remarked that he “hoped to live long enough to see his family’s name on the building, because at 93 his time was running out”.

On November 18<sup>th</sup> one hundred friends and members of his family gathered to celebrate the ground breaking of the Martin-Linsin Residence in his honor and memory. At this time we were able to announce that already \$1.76m of the \$2.28m had been raised.

Construction of the Martin-Linsin Residence continues at a rapid pace – thanks in no small part to the extraordinarily mild winter so far! There is much excitement in the office as staff witness the dream unfolding. It more than offsets the inconveniences that naturally occur during a construction project in one’s own back yard.

### ***PLEASE NOTE:***

***NO REAR ACCESS to offices until further notice.***

***Parking for visitors and volunteers is still available IN FRONT of both Hospice properties.***

***We remind everyone to proceed with caution and appreciate patience during this very exciting time.***

*From the Desk of the Development Director*

*During my career in development, I have witnessed many unusual donations to not for profit agencies. However, the most unique and possibly one of the most meaningful has been the recent gift to Hospice of six cemetery plots. The donor, who wishes to remain anonymous, also paid for all of the associated title transfer fees. The majority of us cannot even conceive that there are members of our community, who are so financially weighed down, that they are unable to even contemplate the cost of providing a final resting place for their loved one. For those already coping with the stress of caring for a terminally ill family member, imagine the difference if that burden could be lifted. This is one more example of the community support that we receive and which truly makes a difference one life at a time. To this special Angel, thank you from the bottom of my heart!*

## A Letter of Tribute to Hospice Staff

*(printed with the permission of the author)*

Thank  
You!!

*Dear Flo, Taryn, Sheila and Chris,*

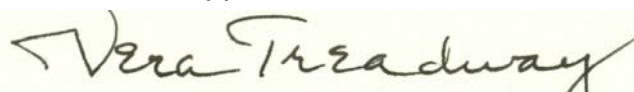

*It is impossible to tell the four of you how much I appreciate the countless, caring, loving ways in which you helped my sister during the last year of her life. I don't know what we would have done without you. The experience of working with you during this critical time has given me and my family a new respect for the services of Hospice. When I now hear of a friend or family member being helped by Hospice, I will think of the four of you and take comfort in knowing that my loved one is in good hands.*

*Janet was blessed to have you as her home team. You were an exceptionally well-coordinated team, each member going far and beyond the expectations of your jobs. The sense of knowing that the larger Hospice team was available and could be reached at any time also gave us peace of mind and we thank them.*

*I will always remember the special words, the sincerity, the caring and the love that you generously gave to my sister and our family. It is such a comfort to know that both Flo and Sheila were with Janet in her final moments. Janet's fear of being alone and/or choking was my fear also. Thank you, Flo and Sheila from the bottom of my heart, and thanks for bringing comfort to me by sharing with me her last moments.*

*With this letter, I enclose a check to the Director of Hospice of Orleans. I make this contribution in memory of my sister, Janet L. Thompson and in honor of the four of you, Flo, Sheila, Chris and Taryn and the contributions that you make on a daily basis. I hope that our paths cross again someday. I wish for each of you the very best that life has to offer.*

*In sincere appreciation of your kindness,*

Vera Thompson Treadway

## HONORING A LONG TIME EMPLOYEE

Sheila Plummer, RN started her career with Hospice in 1990 as a per diem on call nurse, while still employed full time at Lakeside Memorial Hospital. With her many years of experience and the passage of time she recognized the desire of many sick people who “just wanted to be at home”. It was a decade later that she made the decision to follow her heart and accept a full time position with Hospice as their family care coordinator.

During a recent conversation she shared the following thoughts. “This has been a most fulfilling and rewarding time and I feel that I have accomplished the goal that I set out to do. As much as you give, you get back twofold and I hope that I have helped everyone’s life that I have touched. I have laughed and cried and have learned much along the way especially that life is short, irrespective of the path you are travelling and it can change in an instance. I am now going to take some time to spend with my family and review my own Bucket List”.

The Board of Directors and staff of Hospice thank Sheila for all the time and caring she has devoted to the mission of Hospice. We wish her well in the next chapter of her life.

Roc the Day!

## CHILDREN'S DAY OF HEALING

On a cold windy, rainy day and under the watchful eye of Donna Morse, Bereavement Coordinator, 8 children came together for a day of fun, laughter and of course pizza.

“When a child loses a special person, there are feelings of sorrow, loneliness and anger and this is an opportunity for them to come together with families to share their grief and listen to others in the same situation” stated Morse.

Also helping them move through the healing process was Lindsay Chambers and Lisa Delamarter who can usually be found in the Hospice front office. Lindsay and Lisa's families have both recently lost a loved one and chose to use their experience to benefit all who were there. The day included singing, discussion, games and artwork and ended with a special balloon release with a written message to their loved one.

Do you know of a child that could benefit from our grief counseling service? Please call the office at 585-589-0809.

The website is receiving a makeover!

Stay tuned for the new and improved Hospice website!

## Want A Speaker?

Would you like to know more about Hospice?

Are you looking for a speaker for your club, church or community group?

Cora Goyette, Development Director is available daytime or evenings to speak about the services of Hospice.

To schedule, please call 585-589-0809 or email [cgoyette@hospiceoforleans.org](mailto:cgoyette@hospiceoforleans.org)

## Volunteers are Priceless!

Congratulations to our newest group of volunteers who have recently completed the comprehensive Hospice Direct Care training program. Over a period of 20 hours, under the direction of Chris Fancher Volunteer Coordinator, new recruits learn about the many needs of those on home hospice care.

More than 140 Volunteers give in excess of 3,000 hours annually to benefit the community with 40 dedicated to providing companionship, respite and listening ears for both the client and their family.

## WOULD YOU LIKE TO BECOME A PART OF THE HOSPICE TEAM???

A class is forming now for new volunteers interested in respite care. Volunteers are also needed for all aspects of Hospice including special event support, clerical tasks, cookie baking and gardening in the spring and summer. If you would like more information please call 589-0809 or visit our website at [www.hospiceoforleans.org](http://www.hospiceoforleans.org).
