SPRING 2012

## *Thank You to our Volunteers and Community Members...*

The Hospice family came together at the recent Annual General Meeting to recognize the many volunteers and staff who contribute so much to make a difference for community members of Orleans County. We extend a special thank you to The Pillars Estate for hosting this event!

Mary Anne Fischer was recognized for her 20 years of committed service as the agency's Executive Director and John Dellaquila, retiring board chairman was praised for his dedication and leadership.

In her role as Volunteer Coordinator, Chris Fancher thanked the more than 140 volunteers who selflessly gave 3,303 hours for the benefit of both patients and their families.

**Volunteer of the Year** was presented to Gail Fischer for consistency, positive attitude and energy as an office volunteer. **Veteran volunteer** of 22 years, Bob Barrus was honored for his multiplicity of roles from direct care to fundraiser.

**The Mary Janet Sahukar Award** was received by local piano teacher, Bonnie Heck, for her commitment and dedication to services in Orleans County. A piano recital by her music students raised funds to buy extra special personal items for in-home patients.

**The Business/Civic Award** was presented to Environmental Construction Group, for the unlimited use of their parking lot for staff and construction workers during building of the Martin-Linsin Residence.

Whether raising funds through events, running errands, preparing the quarterly newsletter, maintaining the memorial garden, delivering equipment, sanitizing and organizing supplies, delivering spring bouquets or visiting patients, we could not do it without this amazing group of volunteers.

## *The Martin-Linsin Residence Update...Original Schedule Holding Firm*

As work continues on schedule for the new Hospice of Orleans residence the exterior is 95% complete and the grading and landscaping is taking shape.

The 8,500 square foot interior has much of the drywall completed, the atrium fireplace with its' 20-foot stone chimney has been installed and showers have been placed in all bathrooms.

The hospice board and staff are hoping to be ready to accept the first residents in September.

## **Community Campaigns Update**

**Holley/Clarendon** John Dellaquila, recently retired as chair of the Hospice board of directors, led a very successful community campaign in Holley and Clarendon. With the assistance of Jeff Martin, Dennis Piedimonte, Kathy Case, Joann Smith, Joanne Mayer and Kathleen Smith \$62,415 was raised in pledges and gifts.

**Lyndonville** Thank you to a steering committee of local volunteers, the Lyndonville community campaign was launched in February. Retired Hospice board members Ellie Whipple and Wilma Bentley, together with Russ and Pat Martino, Brad and Donna Bentley, Ginny Hughes and John Belson were all instrumental in identifying potential donors and securing gifts totaling \$37,110.

**Medina** With the able assistance of Maura Pierce, Hospice board member, the third of the area campaigns was officially launched in April. With the help of George Bidleman, Lance Mark and Ellen Leonard and some special friends, over \$11,000 has already been pledged and gifted.

**Kendall/Kent** Under the leadership of Craig Lape, Hospice board member, the Kendall and Kent community campaign has just been launched with the assistance of Debbie Ryan, Mike Cusimano and Ken DeRoller.

A campaign for the **Albion** community will be the final phase of the Capital Campaign and coincide with the completion of the project.

*A special thank you is extended to the following, each of who have offered free meeting space for as long as required; White Birch Golf Club - Lyndonville, St. Mary's Church - Holley, LeeWhedon Library - Medina and the Town of Kendall.*

**Buy a Housewarming Gift for the New Residence!**

There is much excitement in the community, as the construction of the Martin-Linsin Hospice Residence moves towards a Summer completion date. Staff are now eagerly planning for the purchase of those many items needed in the kitchen and family living area, that turn a building into a home. With that in mind, a gift registry has been set up at Bed Bath and Beyond. You can view the registry at any Bed, Bath and Beyond store or online.

If you would like to help us in achieving this final dream, you may purchase any of the items on our registry online, they may be shipped directly to Hospice or feel free to deliver in person and get a closer look at our wonderful new building! We thank you for your continued support and look forward to celebrating the Official Opening soon.

You can view the Registry (# 12834632) at any Bed Bath and Beyond store or online at [www.bedbathandbeyond.com](http://www.bedbathandbeyond.com)

### Hospice Board of Directors Welcomes a New President!

In April, after nine years of service as a Hospice board member, the last two as chairman, John Dellaquila is taking a mandatory break.

During his tenure, he has served on many committees including Finance, Strategic Planning, Personnel and Nominating and as board representative to the Development Committee. His final role was as Chair of the Holley/Clarendon Community Campaign during which \$62,145 was raised towards the new Martin-Linsin residence. “John has been a tower of strength” stated Mary Anne Fischer Executive Director “and he has already indicated that he looks forward to returning after a one year break”.

Left to Right: Craig Lape, John Dellaquila, Kim Hinkley, Sheila Myer, Hank Lehning and John Kenney

Sheila Myer, a board member for four years, was recently appointed to the position of President of the Hospice Board of Directors. In accepting the role, Myer said “I accepted because I strongly believe in the concept of Hospice. My father died in 1981 and he and my mother were recipients of hospice services for several weeks during this uncertain and stressful time. After retirement, I was looking for ways to volunteer within the area and in the health care service field and I knew that I wanted to help people during this time in their lives. Hospice services are an invaluable resource”. Sheila and her husband John are both Hospice volunteers and reside in Brockport.

### Growth and Change Go Together and Hospice of Orleans is No Exception!

Hospice has recently seen several staff changes; Sheila Plummer, RN and Billie Condoluci, LPN, both retired to spend more time with their families after many years of loyal service.

Will Reynolds, Head of Maintenance, took the opportunity to escape the upstate New York winters with a move to Virginia.

Two RN.'s Kirsty Chatfield and Cari Boyce (pictured left) joined the clinical team and between them bring 26 years of nursing experience. Over the next few months more staff will be added to meet the growing demands.

### Hospice Website Receives a Makeover!

Just as the Hospice campus is receiving a makeover so is our website!

Some things never change like our Hospice commitment to the community, however we are moving with the times. In redesigning this site, our goal was to create an informative, user friendly tool that may be easily and readily accessible, during what can be a very stressful or difficult time.

Our website is a great resource for those interested in learning more about our many Hospice services including the Transitions Program and Bereavement and Caregivers support groups. Also check out the Serious Illness Resource page.

*For those of you not ready to move with the times, of course we are always available via phone or at the office to answer any questions. 585-589-0809.*
