FALL 2011

## HONORARY CHAIR LAUNCHES RESIDENCE CAMPAIGN

On July 16th, 75 board members, donors and residents of the community joined us to celebrate the launch of our public campaign for the new Hospice residence.

Special thanks go to Gene and Joey Haines who so graciously welcomed our guests at their Point Breeze lakeside home.

John Dellaquila, President of the Hospice Board of Directors announced that NYS had approved the Certificate of Need for the Residence and thanked our many donors. One of the highlights of the program was the announcement that Mr. Bruce Martin has accepted the role of the campaign's Honorary Chair. He thrilled our guests with the announcement of his gift of \$500,000 to the campaign accompanied by stories of his WWII exploits as a B17 Bomber Pilot.

In honor of this exceptional gift, the new residence will be named "The Martin Linsin Residence at Hospice of Orleans". We are so grateful for his remarkable gift that will honor his late wife Margaret "Peggy" Linsin who Hospice had the privilege of serving three years ago.

### Major Gifts Celebrated!

We are so grateful for the generosity of our community and some special donors! A good friend of Mr. Martin, who wishes to remain anonymous, has pledged \$50,000 and is helping us attract corporate support.

We are also pleased to announce that Carl and Carol Petronio have made a gift of \$25,000 and are also assisting us in building additional support for the project. Hospice grew out of this kind of remarkable grassroots support and with the Residence in place will help us to continue to grow to meet the needs of our community.

### Holley/Clarendon Community Campaign Launched

Under the able leadership of Holley resident John Dellaquila, Board Chairman, the first of the area community campaigns was officially launched in August.

A steering committee of local volunteers Kathleen Case, Jeff Martin, Joanne Mayer, Dennis Piedimonte, Joann Smith and Kathleen Smith has convened, potential gifts identified and gifts totaling more than \$23,000 have already been received. Watch this newsletter for regular updates!

Upon completion, we will be launching the Lyndonville Community Campaign with the help of Eleanor Whipple, long time Hospice board member, who has already recruited several volunteers.

**Choosing Your Charity of Choice** - People seldom give randomly to a charitable organization of which they have no prior connection. Most Giving comes from the heart and is driven by the desire to make a difference and positively impact the donor’s own community or personal area of interest. In terms of Hospice of Orleans, many supporters tell me that they give to Hospice because they know their contribution stays in the local community. The majority of us choose to make an annual gift to support a charity with which we have firsthand knowledge, usually where a family member or friend has benefitted from its services. Specific to our Hospice programs, I believe that community wide, there is the perception of a truly caring group of professionals with extraordinary support of their Board of Directors and an army of dedicated volunteers. What better place could one choose to “invest” ones money! Occasionally, there is the desire for our gifts to have a longer term impact, commonly known as the legacy effect. Planned or endowment gift donors are already very familiar with their chosen charity. They will not only be familiar with the organizations history and aware of the future needs, but have faith that the charity will be good stewards of their money.

If you would like to learn about how to make a difference for Hospice, please call me at 589-0809.

**Who Gives  
&  
How Much?**

During this time of economic down turn and personal hardship, I am so heartened by the most recently available statistics from USA Giving.

In 2009, \$308 billion dollars were gifted of which 82% (\$252.3 b) was as a result of individuals’ gifts. Foundations gave 13% and Corporations gave 5%.

**The Hospice  
Difference...**

- ❖ No homebound requirement
- ❖ Oxygen provided as comfort measure
- ❖ Medication & equipment provided free of charge
- ❖ 24 Hour availability
- ❖ IV services
- ❖ Social work, Pastoral care, PT, OT, Speech
- ❖ Inpatient care as needed
- ❖ Bereavement counseling for the entire family

**ANNUAL DUCKS AHOY RACE NETS A RECORD \$8,035!**

2011 was the most successful duck race ever, raising over \$8,000 to benefit Hospice services. The 13<sup>th</sup> Annual was held on a weather perfect Independence Day in Johnson Creek with a large community gathering to cheer 2,500 ducks on their way.

The lucky winners were: Michelle Tompkins \$500, Frank and Mickey Babcock \$300, Terra Giltner \$200, Jack Staples \$150, Stella Linehan \$125, Mizkan America \$100, Gene and Joey Haines \$75 and Virginia Gebhard \$50. The cash prizes were made possible through the generous underwriting from Sigma LLC.

Hospice of Orleans would also like to recognize the entire town of Lyndonville for its hospitality and especially Terry Woodworth and his family for preparing the Course. Our sincere thank you also to all who purchased tickets, volunteered their time and talents and to winners Gene and Joey Haines and Mizkan America who donated back their winning dollars.

## 15<sup>TH</sup> ANNUAL GOLF TOURNAMENT – RAISED OVER \$15,300!!!

**Hospice of Orleans** recently celebrated their Annual Golf Scramble with a special recognition for the founders of the original benefit. Fifteen years ago, Linda Chrzan, John Foos and Mark Murphy decided to hold a fundraiser and over the next seven years raised \$48,597 for Hospice services. Amanda McDonald, local TV WHEC broadcast meteorologist was the evenings host and emcee.

“To have so many golfers and sponsors, who have been involved since the beginning, is a testament to all of their initial hard work and to the ongoing support of the community” stated Cora Goyette, Development Director. “It was a picture perfect day with 156 golfers and 40 wonderful Hospice volunteers”.

The event also featured a special friend of Hospice, Bruce Martin, Honorary Chair of the Hospice Residence Capital campaign. He enthralled the audience with more stories of his WWII experiences as a B17 Bomber Pilot and enjoyed the opportunity to meet with many after dinner.

**Congratulations to the 2011 Tournament Winners Steve Sommers, Greg Fisher, Joe Warthling and Art Marshall.** Thank you for making the day another huge success for Hospice.

**Sunflower Days**

The mission of Hospice is to make a difference one life at a time and the community recently came together - one cup of coffee at a time, in support of the Annual Wilson Farms and Sugar Creek Stores Sunflower fund raiser. The public was invited to support their local Hospice through their purchases of coffee and this year raised \$584!

In conjunction with The Hospice Foundation of Western New York during the month of June, “paper sunflower cutouts” were sold for \$1 each. Over the past 5 years the campaign has raised \$190,000 for Hospice programs and services throughout New York State. “Once again, Hospice of Orleans is a recipient of funds, thanks to so many of you in the community who shopped at Wilson Farms for your morning coffee” stated Cora Goyette, development director. A special thank you goes to the staff of Albion’s Wilson Farms and Sugar Creek Store, for their effort in making this so successful.
